HEALTH RESTORED
BY THE USE OF
DR. HENRI'S SUGAR-COATED
PILLS.

These Pills have recently acquired a wide-spread reputation for their wonderful cures of various cases of sickness—cases in which all other medicines had failed, and which had been given up by Physicians as beyond help—such as indigestion, dyspepsia, liver complaints, obstinate constipation, Dropsy, &c. &c. But while admitting their wonderful curative powers in different cases, we wish to call attention to their great value in the every-day disease of life, such as COSTIVENESS, for which they are a perfect specific; HEADACHE, relieved and cured by one dose; INDIGESTION always removed by them, and the stomach so toned and strengthened as to prevent a return. BAD BREATH cannot exist when the stomach is cleared by the use of these Pills.

BRISTOL'S SUGAR-COATED
PILLS.

ROBERT'S VEGETABLE.

For LOSS OF APPETITE they are the only remedy, as they never fail in carrying off the depraved bilious secretions that fester in the system and destroy the healthy action of the liver for food. Stomach, Heartburn, Flatulency, and all Derangements of the Digestive and Excretory Organs, are promptly relieved and cured by the use of these Pills. Do not bear in mind that Bristol's are the only Pills made of

PODOPHYLLIN & LEPANDRIN.

the only vegetable substances yet discovered that are really

ANTIBILIOUS.

to the presence of which invariably results the extraordinary success of Bristol's Pills may in a great measure be ascribed. It is necessary, however, that the sick should always remember that in all diseases that have their origin in the blood,

BRISTOL'S SARSAPARILLA.

that lust of blood-purifiers should be used with the Pills, the two medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that greater relief will be obtained, and cure can be guaranteed, when the patient is not already beyond human help.

For general directions and table of doses, see the wrapper around each bottle. In all cases, different constitutions require different doses to produce the same effect; it is better that each person ascertain, by trial, the dose that suits their system, and take that dose, instead of following any general rule.

PROVED BY
THIRTY-FOUR YEARS' TRIAL.

It is a true saying, that any preparation intended to stand the test of public trial and experience, must be possessed of undeniable and positive virtues, and its career will be speedily terminated, and its very name be forgotten among the myriads of similar failures that have gone before it. Proved by this test,

THE SINGAPORE EXCELLENCE OF
BRISTOL'S SARSAPARILLA.

has been at once indisputable and self-evident. From its first introduction in the year 1832, and from that date until the present time, its progress has been uniform and steady, each year showing an increase in the demand on the preceding one, until today it is acknowledged to be the

BEST BLOOD PURIFIER.

and depurative known to medical science, and is now presented by the Dispensary in America, and recommended by them to their patients in all scrofulous, ulcerous, and eruptive diseases. BRISTOL'S SARSAPARILLA should not be confounded with other so-called purgatives; it is

ENTIRELY DIFFERENT.

from all others. It contains no minerals, and can be used freely, with perfect safety, in all kinds of weather, rainy or dry. It does not require the addition of iodine or potassium, nor any other article, to make it effective. It is strong enough for the robust man, and is safe for the weakest infant. Every ingredient in it is

BENEFICIAL TO HEALTH.

For every form of malarious disease it is a safe and reliable remedy, being a perfect antidote to malaria, a corrector of impurities, a cure for chills, a preventive of fever, and a healthful stimulant. It is purely vegetable, and entirely harmless, and no harm can ever result from its free use. The public should therefore

and take no other. It is the cheapest, the strongest, and the best.

THE LANGUAGE OF FLOWERS.

POETS of all ages have celebrated in song the beauty of flowers. Their fancies have over delighted in likening the purest and holiest sentiments and feelings of the human heart to the floral beauties they thus admired. Every flower, from the tiny but fragrant Lily of the Valley to the gaudy sunflower, has been seized upon and made to do duty as the representative of some sentiment, or action, or feeling. The sweet Verbena is the mute representative of "Sensibility." While the fragrant Verbena speaks of "dangers to be avoided," the Rose tells only of "Simplicity." The Dandelion Rose is the sign of "Youthful Freshness," while the glowing Poppy is "Anger." But there is no other property ascribed to the flowers, really if not more important than their beauty of form and color, which we refer to the fragrance they exude. What can compare with the breath of the blooming rose, or the delicate fragrance of the virgin Lily? Art tries and tries in vain to equal them. Chemistry, which seems to know no limit to its powers of simulation, fails completely in its efforts at producing the delicate perfume, combined with the richness of Nature's perfume; and, with the single exception of

MURRAY & LAMMAN'S
FLORIDA WATER.

We know of no preparation where the simple and natural fragrance of the flowers is preserved unaltered and unimpaired. The flowers themselves fade quickly away, and their exquisite perfume soon passes into the noxious gases of decay; but in this delightful floral water their perfume is seized upon at the moment when most fragrant, and preserved for all time, unchangeable, as an accessory to the toilet.

MURRAY & LAMMAN'S
FLORIDA WATER.

Stands quite unrivalled, not only for its fragrant perfume, but also for its well-marked hygienic properties, a feature not possessed by any other similar preparation. It is a powerful and refreshing

RESTORING AND REFRESHING.

The fatigued and overworked mental or physical power, is probably the distinctive feature of this great perfume, marking it as an absolute necessity for Ladies who wish to retain unimpaired the beauty of their complexion with the power and freshness of their conversation.

Always ask for the Florida Water prepared
by Murray & Lamman, New York. All others
are counterfeits.
